

March 28, 2020

Dear HCS Family and Friends,

The peace of God rules in our hearts even as we respond to the ever-changing events of COVID-19. We are committed to clear and regular communication with regard to our response and the welfare of Highland Christian School's community, which includes students, parents, staff, and our greater constituency.

As you take steps to protect your family, we entreat you to pray for those who are personally affected by this health crisis. Yesterday afternoon, we learned that one of our community members (not a student or staff member) has received a positive diagnosis and has been hospitalized. We ask that you pray for a full restoration of their health and for an overwhelming awareness of God's presence and peace for their family.

Highland Christian School continues to take all necessary actions to provide for the safety and well-being of our students, and we are thankful for the wisdom that comes from many counselors, including the leaders of our state. Even as we address the real physical concerns related to COVID-19, we entreat you to pray for the spiritual concerns of our community.

As Christians, we have confidence and hope in the sovereign glory, power and love of God. In all these things, may we blaze God's light of hope during this uncertain time.

Blessings Always,

Kyle Weener
