SEC'S PURPOSE

Sonshine Enrichment Center has been developed to provide a secure, loving Christian environment where children can develop spiritually, socially, emotionally, intellectually, physically and creatively.

SEC'S PHILOSOPHY

We, at Sonhine Enrichment Center, believe that each child is special and is a unique creation of God. We encourage each child to recognize his/her value in God's world.

We believe that the best educational atmosphere for children in early childhood provides opportunities within a Christian environment to create, problem-solve, have hands-on exploration and social interactions with adults and other children.

SEC'S STAFF

The Sonshine Enrichment Center staff is dedicated to providing a warm, nurturing, Christian learning environment for young children. They are trained in early childhood education and are committed to teaching children in a developmentally appropriate manner.

SEC'S CURRICULUM

The goals of Sonshine Enrichment Center are met through a discovery approach to learning. The program is both flexible and structured. Our curriculum is carefully planned around developmentally appropriate experiences, yet flexible to meet the individual needs and interests of your child.

Preschool daily schedule includes:

- combination of hands-on and teacher directed learning experiences
- individual, small group, and large group experiences
- story & music group circles
- outdoor or gym type play
- snacks are provided along with periodic cooking projects that coincide with units of study
- Bible stories, Bible memory verses, songs, and prayer
- Christian holiday observance
- field trips
- Special Program Days

CLASS SESSIONS

3 Year Olds

Two Half Days - The two half-day session meets on Tuesdays and Thursdays from 8:45a to 11:15a.

Five Half Days - The five half-day session meets Monday through Friday from 8:45a to 11:15a.

To be eligible for the 3 year old classes, children must be three years old by September 1 of the year they are enrolling.

Afternoon sessions will be available if enrollment allows.
