

Dear Parents:

May 2017

Your child has developed many reading skills over the past nine months of school. In order to retain those important skills, Highland Christian is instituting a required summer reading program for all of the students (K-7) at HCS. Attached is a form to be filled out for each book read. These completed forms will need to be returned to their next teacher when they return to school on August 22. The students will receive a completion grade for their efforts. This program can be completed along with the reading challenge from Mrs. Zandstra in our library.

The first grade goal:

Your child will read 12 books and write down the **title**, along with one sentence about the **main idea** of each book that they read. We have attached a suggested first grade reading list, but your child has the option to read other books of their choice.

Thank you for your helping your child complete their summer reading assignment.
